NERVOUS STOCK MARKET

PRICES FLUCTUATED BROADLY

WITH AN ADVANCING TONE.

Crop News Depressed the Grangers—

Foreign Money Market Influenced—

Summer Dullness Felt Locally.

At New York yesterday money on call was easy at 1 1/4 per cent; last loan, 1 1/2 per cent.

Prime mercantile paper, 3 1/4 per cent.

Sterling exchange was weak, with actual business in bankers' bills at \$4.89 3/4 per cent.

For demand, and \$4.84 1/4 per cent for sixty days; posted rates, \$4.82 and \$4.88 per cent.

Commercial bills, \$4.80 1/4 per cent.

Silver certificates were at 100; bar silver, 60 1/2; Mexican dollars, 47 1/2.

At London silver bars sold at \$71.34 an ounce.

The stock market was exceedingly irregular yesterday, and the net results, except in a few stocks, are not large, though the extreme range of prices was very considerable.

Prices ruled above yesterday night's closing level for the greater part of the day, and when they approached that level the market almost invariably fell to extreme dulness.

That the demand which kept up prices came very largely from the short interest is highly probable, but the volume of pressure at such times as the market fell to or below Wednesday night's level indicated that liquidation was not being forced.

Some support was accorded by the sympathetic effect of the positive strength manifested by New Jersey Central and Reading first preferred.

Northern Pacific was conspicuous under pressure all day. Efforts were made to support the stock at about 50, but broke through that price near noon and fell an extreme 1 1/2 to 4 1/2, with only a feeble rally.

Unfavorable reports that a crop disaster was in prospect in the Northwest were responsible for the weakness of this stock.

Of Great Western, which lost 4 1/2 points. Some of the liquidation in Northern Pacific was attributed to Berlin, which stated that it was a favorite, where money difficulties are forcing liquidation.

Speculative opinion was a good deal confused with the cross currents of the situation in China, the crop outlook, the national convention at Philadelphia and the money market outlook.

Some of the sellers of the stocks yesterday were not so much motivated by the probability that Governor Roosevelt would refuse the nomination for the vice presidency, and as Governor would insist on the drastic enforcement of the franchise tax law.

Those who sold on this ground Wednesday night were not so much motivated by the probability that Governor Roosevelt would refuse the nomination for the vice presidency, and as Governor would insist on the drastic enforcement of the franchise tax law.
